Parents of students in Years 11, 12 and 13 – Study Leave

Dear Parents :

This letter is to inform you that the school has no policy of an official study leave nor does it endorse the practice. Regular classes will continue to be held until the examinations begin :

**May 11 for IGCSE and
May 12 for AS Level students.
May 14 for A Level students.**

Should your son or daughter choose not to attend school, that is a choice made by the student and you. Once examinations have commenced, teachers are available for consultation and extra help during school hours should any student require it.

With best wishes,

Peter A. Lugg
Principal
