

Dear Parents/Carers/Students,

We hope you are all safe and well and look forward to welcoming you back into the school very soon!

Please find enclosed the October/November 2020 exam timetable – we advise you to make a note of the dates you are scheduled to take exams, which you will have received from Ms. Frincy in the statement of entries.

As you may also be aware but just to remind you that ADEK regards these for external examinations as *High Stakes Exams*, whereby all students must come to school. Students who are sitting for October/November 2020 exams must provide a negative COVID-19 test result that is no more than 14-days prior to their examination as per. ADEK guidelines.

We have previously provided a code to use at the advised center but will update you if we receive any further notification(s) on testing requirements.

Additionally, rest assured the school is fully compliant in all Health & Safety measures through various compliance visits and we will ensure extra-precautions are taken to ensure the exams are administered safely, which is always our top priority.

Finally, we advise the students to please contact a member of the department from the subject(s) they are taking exams in should they have any questions/concerns about what to revise and prepare for – we are here to help!

Best of luck and we look forward to seeing you in school from Thursday 1st October 2020 onwards!

Information for Students.

- Please ensure you have taken the time to read through the JCQ and exam guidelines/information from our website (above) before sitting the exams.
- Additionally, make sure you bring in the correct equipment for the exam(s) you are taking – This is available on the website.

If you are unsure, please contact a member of staff in the department for which you are taking an exam.

Mr. Nick Crafts -  n.crafts_chs@gemsedu.com
Assistant Principal i/c External examinations
